## 2020-21 School Accountability Report Card

Upload of your logo is optional.

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

A message from the Executive Director, Krista Woodgrift.

### Responding to COVID-19

Throughout the COVID-19 pandemic, Sage Oak Charter Schools have continued to proactively support all students through personalized learning opportunities, virtual learning opportunities, and virtual special education services.

### Personalized Learning Academy & Virtual Learning Academy

Our TK-12 Personalized Learning Academy independent study program provides a flexible, personalized learning environment where teachers and parents partner together to ensure the success of each student through access to high-quality curriculum, community vendors, Career and Technical Education (CTE) offerings, community college dual enrollment opportunities, collaboration opportunities with fellow learners, and oversight by highly qualified credentialed teachers. For families seeking an online or hybrid option, our high school offers a wide variety of live and self-paced online courses and our new K-8 Virtual Learning Academy offers students three days of virtual instruction and two days of independent study.

Sage Oak also proudly offers live, synchronous math, writing, and college/career readiness instruction to all students on a daily or weekly basis taught by credentialed Sage Oak teachers in compliance with new California legislation. On Fridays, all Sage Oak students are invited to attend “Sage Stage” events which feature enriching live guest speakers such as scientists, animal experts, book authors, musicians, and more.

### Field Trips and Events

Sage Oak has continued to host virtual field trips, enrichment classes, science, technology, engineering, and math (STEM) events, a parent training day called the parent summit, online social gatherings and has recently returned to in-person field trips and social gatherings in accordance with safety protocols including prom, senior sunrise, senior sunset, graduation, and the K-12 Living History Day.

### Counseling Support

The Sage Oak counseling department has been providing COVID-19 information, support, and resources to all students and families throughout the pandemic via weekly newsletters and updates to the school website as well as through social-emotional learning (SEL) curriculum, self-care strategies, lessons, videos, small group support to students, and webinars for both parents

2021-22 School Overview

and students.

**Educational Partnerships**  
Sage Oak continues to value the input of our educational partners. Parents and students have the opportunity to provide insight and feedback on Sage Oak’s decision-making throughout each school year via surveys, by joining the School Site Council (SSC), and by joining the English Learner Advisory Committee (ELAC). Teachers, parents, administrators, students, and support staff, who work together to advise, develop, and/or monitor the school plans for student achievement and English Learner support. Sage Oak leadership also utilizes the feedback from the SSC to address topics regarding the COVID-19 pandemic, virtual learning, and spending of one-time funding from state and federal government.

**Awards and Recognition**  
Sage Oak Charter School maintains Western Association of Schools and Colleges (WASC) accreditation and is National Collegiate Athletic Association (NCAA) certified. Sage Oak remains members of the National Honor Society and is a certifying organization of the President’s Volunteer Service Award and President’s Academic Excellence Award Program.

**2021-2024 Goals**  
Sage Oak’s 2021-2024 goals are as follows:

Goal #1: We will improve the academic achievement of all students and specifically our socio-economically disadvantaged (SED), foster youth, English learner (EL), and students with disabilities population through effective instruction, a challenging and engaging curriculum, and aligned assessments in language arts and mathematics.

Goal #2: We will promote a high ADA percentage through hiring and training high-quality teachers and support staff, creating a positive school culture, and implementing best practices for students and staff social-emotional needs.

Goal #3: We will establish connections and partnerships with our stakeholders through meaningful communication and opportunities for input in the decision-making process in order to increase engagement, involvement, and to ensure safety and satisfaction in supporting student learning and achievement.

Goal #4: We will ensure that students are on track to graduate from high school and are college and career-ready.

In addition, the Sage Oak leadership team is working with growth expert, David Dye, to develop a dynamic and comprehensive strategic plan that prioritizes student achievement and teacher engagement in order to build the sustainable future of Sage Oak.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

### 2019-20 Teacher Preparation and Placement

Authorization/Assignment	2019-20
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	
Intern Credential Holders Properly Assigned	
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	
Unknown	
Total Teaching Positions	

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The credentialed teacher works individually with each student, along with their parents, to create their educational plan, which includes selecting the curriculum. The curriculum is chosen based on state standards, the student's learning style, and working level, and the educational philosophy being followed. The teachers have multiple options for curriculum, including the state-approved material list, as well as curriculum associated with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curriculum for all content areas, including a required curriculum list for math.

In addition, the parents and teachers are trained on multiple educational philosophies, including but not limited to curriculum alignment, daily learning schedules, course plans and the research behind each philosophy.

The teachers also have access to the Education Services department to help in the selection of the appropriate materials for each student.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curriculum in the areas of mathematics and reading, as well as virtual small-group tutoring.

In addition, the school provides access for all students to online grade-level standards curriculum through a variety of online programs such as MobyMax, i-Ready, BrainPop, Gizmos, IXL, and Paper.

There are many community providers to choose from when selecting a curriculum. We have a searchable community provider database on the Sage Oak website that shows the various options.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

## 2021-22 Opportunities for Parental Involvement

Sage Oak has a school site council (SSC) that meets on a monthly basis to provide input on the operations of our school. The SSC consists of three parents, three teachers, two students, one classified employee, and one administrator. The School Site Council (SSC) is a decision-making committee that contributes to continuously planning, monitoring, revising, and reviewing effectiveness of budgets, expenditures, strategies and actions in the School Plan for Student Achievement (SPSA) that identify academic goals and drive the school's instructional program. In addition, the SSC ensures the SPSA is aligned to the LCAP. The SSC provides oversight of Categorical Budgets to ensure Title I: Federal funds are to be used to support at-risk students at risk of not meeting the academic standards; ensure meaningful parent/guardian and family involvement through the Family Parent Involvement Policy; and ensure that the responsibility for improved student academic achievement will be shared by parents/guardians, students, and the entire Charter School staff as outlined in the School-Parent Compact. 2021-2022 SSC virtually and/or in-person meetings are scheduled for 9/14, 10/12, 11/9, 12/7, 1/11, 2/8, 4/19, 5/10, and 6/7 (Meeting dates are subject to change).

The English Learner Parent Advisory Committee (ELAC) provides parents opportunities to contribute to the development of a site plan for English learners that is submitted to the School Site Council for consideration, assists in the development of the schoolwide needs assessment, and promotes parent awareness of the importance of regular school attendance.

Additionally, our parents are highly involved in the personalized learning plan of the students in our schools. The teacher, parent, and student work together and discuss learning philosophies to follow, curriculum to select, and classes to best support their individual needs. Parent feedback is solicited throughout the year both informally through learning period meetings and teacher interaction as well as formally through the annual LCAP/ESSER survey, WASC accreditation parent stakeholder groups, and the end of the year parent survey.. Parent feedback is used to inform decision-making. For more information on how to become involved at the school, please contact Stephanie Gomarko, parent coordinator at SGomarko@sageoak.education.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

## Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

<b>Suspensions</b>						
<b>Expulsions</b>						

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

The school safety plan was last reviewed and updated with staff in February 2021.

The school safety plan ensures emergency preparedness at learning period meetings, test sites, field trips, staff meetings, and at the school office. It also encompasses required trainings and school expectations in regards to a mandated reporter, sexual harassment, blood-borne pathogens, and active shooter. The expectations of conduct for students/parents/guardians/staff, bullying, and hate crime reporting are also included.

## 2020-21 Types of Services Funded

Sage Oak Charter Schools has accepted Title 1, Part A federal funds to assist us in serving our at-promise students. Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to schools to meet the needs of educationally at-risk students (AKA at-promise students). The goal of Title I is to provide extra instructional and curricular service and/or activities which support students identified as at-risk of failing to meet the state's challenging performance standards, most specifically in math or English/language-arts. In receiving these funds, there are certain requirements that the school must complete.

Requirements:

- Single Plan for School Achievement (SPSA)
- School Site Council (SSC)
- Family and Parent Engagement Policy
- School-Parent Compact
- Parents Right to Know
- School Accountability Report Card (SARC)

Title 1- Eligible Sage Oak students include:

- students identified as economically disadvantaged
- students with disabilities
- migrant students
- homeless students
- English learners
- students who are below grade-level and identified as failing, or most at risk of failing, to meet the challenging state academic standards.

Title 1 funding provided all or a portion of the cost of the following resources:

- Elementary and Secondary Intervention Program
- School Provided Online Subscriptions
- EL curriculum
- Technology for Title 1 students
