2021-2022 School Accountability Report Card (Published During the 2022-2023 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>

For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2022-23 School Overview

A message from the Superintendent, Krista Woodgrift.

Personalized Learning Academy & Virtual Learning Academy

Our TK-12 Personalized Learning Academy independent study program provides a flexible, personalized learning environment where teachers and parents partner together to ensure the success of each student through access to high-quality curriculum, community vendors, Career and Technical Education (CTE) offerings, community college dual enrollment opportunities, collaboration opportunities with fellow learners, and oversight by highly qualified credentialed teachers. For families seeking an online or hybrid option, our high school offers a wide variety of live and self-paced online courses and our K-8 Virtual Learning Academy offers students three days of virtual instruction and two days of independent study.

Sage Oak also proudly offers live core and enrichment courses to all students on a daily or weekly basis taught by credentialed Sage Oak teachers in compliance with new California legislation. On Fridays, all Sage Oak students are invited to attend “Sage Stage” events which feature enriching live guest speakers such as scientists, animal experts, book authors, musicians, and more. New this year, we have also developed a podcast that reaches our Sage Oak community diversely and creatively.

Field Trips and Events

Sage Oak continues to host field trips, educational events, enrichment online classes, parent trainings, and social gatherings in accordance with safety protocols.

Counseling Support

The counseling department provides social-emotional, academic, college, and career development support for all Sage Oak students. We share resources with our students through weekly live classes, recorded lesson content videos, monthly parent workshops, and resources emailed, posted on our website, and shared directly by students’ teachers. We also provide small group support and one-on-one counseling for students.

Educational Partnerships

Sage Oak continues to value the input of our educational partners. Parents and students have the opportunity to provide insight and feedback on Sage Oak’s decision-making throughout each school year via surveys, by joining the School Site Council (SSC), and by joining the English Learner Advisory Committee (ELAC). In addition, a “Question of the Week” is asked of all

2022-23 School Overview

educational partners, providing them the opportunity to submit valuable input on a variety of topics and school programs. Teachers, parents, administrators, students, and support staff work together to advise, develop, and/or monitor the school plans for student achievement, the School-Parent Compact, the Parent/Guardian and Family Engagement Policy, and the English Learner Master Plan. Sage Oak leadership also utilizes the feedback from the SSC to address topics regarding the school's safety plan, virtual learning, and spending of one-time funding from the state and federal government.

Awards and Recognition

Sage Oak Charter School maintains Western Association of Schools and Colleges (WASC) accreditation and is National Collegiate Athletic Association (NCAA) certified. Sage Oak remains a member of the National Honor Society and is a certifying organization of the President's Volunteer Service Award and the President's Academic Excellence Award Program.

2021-2024 Goals

Sage Oak's 2021-2024 goals are as follows:

Goal #1: We will improve the academic achievement of all students and specifically our socio-economically disadvantaged (SED), foster youth, English learners (EL), and students with disabilities population through effective instruction, a challenging and engaging curriculum, and aligned assessments in language arts and mathematics.

Goal #2: We will promote a high ADA percentage through hiring and training high-quality teachers and support staff, creating a positive school culture, and implementing best practices for student's and staff's social-emotional needs.

Goal #3: We will establish connections and partnerships with our stakeholders through meaningful communication and opportunities for input in the decision-making process in order to increase engagement and involvement, and to ensure safety and satisfaction in supporting student learning and achievement.

Goal #4: We will ensure that students are on track to graduate from high school and are college and career-ready.

In addition, the Sage Oak leadership team has developed a comprehensive strategic plan that prioritizes student achievement and teacher engagement and has completed its first year of executing this plan in order to build the sustainable future of Sage Oak.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2022-23 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The credentialed teacher works individually with each student, along with their parents, to create their educational plan, which includes selecting the curriculum. The curriculum is chosen based on state standards, the student's learning style, and working level, and the educational philosophy being followed. The teachers have multiple options for curriculum, including the state-approved material list, as well as curriculum associated with various educational philosophies. The school has provided teachers and parents with a list of recommended standards-aligned, research-based curricula for all content areas, including a required curriculum list for math, reading for foundational skills, reading for informational text, and writing.

In addition, the parents and teachers are trained on multiple curricular options, including but not limited to curriculum alignment, daily learning schedules, course plans, educational philosophies, and the research behind each philosophy.

The teachers also have access to the Education Services department to help in the selection of the appropriate materials for each student.

English learner (EL) students have access to a standards-aligned English language development curriculum.

Intervention students have access to standards-aligned intervention curricula in the areas of mathematics and reading, as well as virtual small-group tutoring and reading specialists.

In addition, the school provides access for all students to online grade-level standards curriculum through a variety of online programs such as MobyMax, i-Ready, BrainPop, Gizmos, Read 180 Universal, and System 44.

There are many community providers to choose from when selecting a curriculum. We have a searchable community provider database on the Sage Oak website that shows the various options.

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).
4. **College and Career Ready**
The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2020-21 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-21 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-21 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-21 school year to other school years.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2020-21	School 2021-22	District 2020-21	District 2021-22	State 2020-21	State 2021-22
English Language Arts/Literacy (grades 3-8 and 11)	N/A	55	N/A	48	N/A	47
Mathematics (grades 3-8 and 11)	N/A	40	N/A	32	N/A	33

2021-22 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2021-22 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2021-22 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. Due to changes to the 2021-22 PFT administration, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2022-23 Opportunities for Parental Involvement

Sage Oak has a school site council (SSC) that meets on a monthly basis to provide input on the operations of our school. The SSC consists of three parents, three teachers, two students, one classified employee, and one administrator. The School Site Council (SSC) is a decision-making committee that contributes to continuously planning, monitoring, revising, and reviewing the effectiveness of budgets, expenditures, strategies, and actions in the School Plan for Student Achievement (SPSA) that identify academic goals and drive the school's instructional program. In addition, the SSC ensures the SPSA is aligned with the LCAP. The SSC provides oversight of Categorical Budgets to ensure Title I: Federal funds are to be used to support at-risk students at risk of not meeting the academic standards; ensure meaningful parent/guardian and family involvement through the Family Parent Involvement Policy; and ensure that the responsibility for improved student academic achievement will be shared by parents/guardians, students, and the entire charter school staff as outlined in the School-Parent Compact.

The English Learner Parent Advisory Committee (ELAC) provides parents opportunities to contribute to the development of a site plan for English learners that is submitted to the School Site Council for consideration, assists in the development of the schoolwide needs assessment, and promotes parent awareness of the importance of regular school attendance.

Additionally, our parents are highly involved in the personalized learning plan of the students in our schools. The teacher, parent, and student work together and discuss learning philosophies to follow, curriculum to select, and classes to best support individual student needs. Parent feedback is solicited throughout the year both informally through learning period meetings and teacher interaction, as well as formally through the weekly surveys, annual LCAP survey, WASC accreditation parent educational partner groups, and the end-of-the-year parent survey to inform decision-making. For more information on how to become involved at the school, please contact Kristin Aschbrenner at kaschbrenner@sageoak.education.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-20 suspensions and expulsions rate data are not comparable to other year data because the 2019-20 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-20 school year compared to other school years.

Suspensions	0.03	0.71	2.45
Expulsions	0.00	0.00	0.05

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

2022-23 School Safety Plan

The school safety plan was last reviewed in December 2022 and will be updated and board approved by March 1, 2023.

The school safety plan ensures emergency preparedness at learning period meetings, test sites, school events, staff meetings, and the school office. It also encompasses required biennial and annual staff safety trainings as well as school expectations in regard to first aid, mandated reporters, sexual harassment, and suicide prevention/procedures. The expectations of conduct for students/parents/guardians/staff, bullying, and hate crime reporting are also included.

2021-22 Types of Services Funded

Sage Oak Charter Schools has accepted Title 1, Part A federal funds to assist us in serving our at-promise students. Title I, Part A of the Elementary and Secondary Education Act (ESEA) provides financial assistance to schools to meet the needs of educationally at-risk students (AKA at-promise students). The goal of Title I is to provide extra instructional and curricular services and/or activities that support students identified as at risk of failing to meet the state's challenging performance standards, most specifically in math or English language arts. In receiving these funds, there are certain requirements that the school must complete.

Requirements:

- School Plan for School Achievement (SPSA)
- School Site Council (SSC)
- Family and Parent Engagement Policy
- School-Parent Compact
- Parent's Right to Know
- School Accountability Report Card (SARC)

Title 1- Eligible Sage Oak students include:

- Students identified as economically disadvantaged
- Students with disabilities
- Migrant students
- Homeless/Foster students
- English learners
- Students performing below grade level and identified as failing, or most at risk of failing, to meet the challenging state academic standards.

Title 1 funding provided all or a portion of the cost of the following resources:

- Elementary and secondary intervention programs
- Online educational support subscriptions
- Technology
